### **Queen's Platinum Jubilee Celebrations**

#### **Programme**

2<sup>ND</sup> June – Lighting of the beacon 9.15pm, Bugler to play at the event. I have already booked Mr Gary Cole to do this.

4<sup>th</sup> June- Picnic in the Park at the Recreation Ground.

5<sup>th</sup> June- Service of Thanksgiving at St James'.

For the Picnic in the Park and event notice needs to be completed for Magna Vitae. The format of the last picnic could be followed with bouncy castle, use of the pavilion and the field will need to be booked.

The beacon is with Tong Engineering which will have to be contacted.

The Town Council will need to decide where the beacon is to be sited. If at the Recreation Ground, this will need to be confirmed with the Recreation Ground committee or it could be on the grass land on Shamfields as before.

I would suggest that the organisation of this event is dealt with by the Tourism and Events Committee.

There is a booklet of how events should be organised.

I have registered the event with the Queen's Pageant Master, Bruno Peek.
