Office Matters

Bonny has taken one week Annual Leave and has had one week Sick Leave.

Following on from my two weeks Sick Leave in February, and both of us spending time training our new Town Clerk – Jack Sargent, this has put us behind schedule with our day to day work.

Jack will commence full employment as from 1st April, 2022

Bonny's last working day will be Thursday 31st March, 2022

I personally would like to wish her well in her retirement.

The Spilsby Explorer magazine will be completed by 5th/6th April. Stones Printers in Skegness will print and deliver to us w/c 25th April, 2022.

David Bruce from the New Life Centre has volunteers lined up to deliver as soon as possible after that date.

I attended a meeting with the Allotments Association members on Tues 15th March, 2022

The Chairman, Vice Chairman and Secretary all wished to stand down.

As attendance was poor, it was resolved to wind up the AA committee.

All agreed that the Allotments were running well. Any issues would be dealt with by the Town Clerk/Deputy Town Clerk. Full Council to be updated of any issues.
