**We would very much welcome any suggestions for future editions of the Spilsby Explorer. Please share any news articles. Most importantly please just get in touch; we would really love to hear from you.**

**The next edition will be published in the Summer 2022. If you would like to contribute please contact Spilsby Town Council.**

**E-mail: [spilsbytowncouncil@btconnect.com](mailto:spilsbytowncouncil@btconnect.com)**

## MAYOR'S MESSAGE

Welcome to this spring edition of the Spilsby Explorer.

My term as Mayor and Chair ends in May. The role of Mayor is both enjoyable and satisfying, disappointingly, Covid-19 has restricted this to a bare minimum, but fortunately, all the events that I have been involved with have been excellent. I have met so many wonderful local people and the work that community groups and individuals put in to make Spilsby what it is, is astounding!

Since the last edition of the Explorer, there has been much to report on. The Church wall that collapsed nearly four years ago has finally reached completion. It has been a huge drain on the Council's finances, but as it is the Council's responsibility, it has been a necessity. On behalf of the Council, I want to thank the contractors and the long-suffering tenants who have coped with restricted garden space and the noise of machinery, for their patience and support.

Now that Covid-19 restrictions are easing, local events are starting to take place. The Spilsby Light Night took place on Saturday, 26th March and what a great night it was. The whole event had a great atmosphere, was so well attended and a great fun night. A collection was taken during the event for the people of Ukraine and a huge thank you to everyone who contributed. There are many more events lined up for the summer, including the Bike Night and the Queen's Platinum Jubilee celebrations, which will include the Picnic in the Park event, so please look out for these and many others.

I must mention before I close, that our Town Clerk, Bonny Smith retired on 30th March, of course Bonny is well known by almost everyone in Spilsby. She has been a stalwart for the Council and we will all miss her. On behalf of the Council, I extend our thanks for her sterling service and wish her good health and happiness in her retirement. We do have a new Town Clerk, his name is Jack Sargent and he will be ably assisted by our current Deputy Clerk Ros Ford.

So, as my term as Mayor/Chair comes an end, I want thank my fellow Councillors and our Clerks for supporting me and all of you Spilsby residents who make this town what it is, simply a wonderful place to live. It has been an honour and privilege to serve as Mayor and it will give me many great memories that will stay with me always. I will of course continue as a town councillor and look forward to supporting the newly appointed mayor after the May council meeting.

Best wishes to you all

Terry

## Spilsby Town Council Hierarchy

## SPILSBY TOWN COUNCIL COMMUNITY SPEED WATCH

In 2019 Spilsby Town Council decided to form a local Community Speed Watch team.

We have a number of volunteers who have all received training from the Lincolnshire County Council Road Safety team.

We have met on a regular basis and noted that people are beginning to watch their speed as they drive around and through Spilsby.

All drivers who exceed the speed limit are reported to the Road Safety Alliance, who follow this up with the Police.

We have met on several occasions this year, on Halton Road, Partney Road and Boston Road. These have been a great success.

**In order to improve this service, we need more volunteers.**

You do not have to sign up for specific shift, but if you can be available for one or two sessions each month that would be very helpful.

Full training will be given.

Please contact the Town Council on 01790 753189 for further information.

Cllr Liz Day  
Community Speed Watch team.

### SPILSBY TOWN COUNCIL DATES OF MEETINGS 2022-2023

All meetings to start at 7pm unless stated

#### FULL COUNCIL MEETINGS

26th May, 2022 (Annual Meeting)  
23rd June, 2022  
28th July, 2022  
August Recess, 2022  
22nd September, 2022  
27th October, 2022  
24th November, 2022  
December Recess, 2022  
26th January, 2023  
23rd February, 2023  
23rd March, 2023  
Annual Town Meeting  
to be notified

#### COMMUNITY ACTION COMMITTEE MEETINGS

7th July, 2022  
6th October, 2022  
20th January, 2023

#### FINANCE AND POLICIES COMMITTEE MEETINGS

9th June, 2022  
13th October, 2022  
12th January, 2023  
13th April, 2023

#### PRECEPT/BUDGET MEETING

12th January, 2023

## From your LCC County Councillor

The last two years have been long and uncertain, with ever changing variants of Covid, hopefully we are now seeing the end of restrictions even though Covid is very much still out there so please be careful, but life does feel as though it is returning to a new normal.

Vaccines are still available, and the 4th jab is available to the over 75s and the over 12s who have a weakened immune system.

Highways have put on extra teams to try and catch up with potholes etc and with the latest good weather it is starting to make a difference. There are lots more roads in need of upgrading and LCC continues to fight for more funding from central government.

You can report issues with roads, drainage, streetlighting and fly tipping to name a few on the 'Fix my Street' app, which you can download on your phone or computer, or alternatively call LCC Highways on 01522 782070.

If you would like help with any issues, please contact me on 01754 880388 or email me [cllr.w.bowkett@lincolnshire.gov.uk](mailto:cllr.w.bowkett@lincolnshire.gov.uk)

Cllr Wendy Bowkett  
County Councillor for Wainfleet and Spilsby Division.

It's the start  
of something  
special.

It's that **Newton Fallowell** feeling.

We're an estate agency that puts people at the heart of property. Landlords, buyers, renters, vendors... they'll all say similar things. That we know the Midlands like no-one else. That we care more about service. And that while others go through the motions, we'll go the extra mile for every single customer.

Pop in, call **01790 755222**  
or search **Newton Fallowell**

# A bumper term at Woodlands Academy

This year, Children's Mental Health Week was held between 7th and 13th February. Place2Be launched the first ever Children's Mental Health Week in 2015 to shine a spotlight on the importance of children and young people's mental health. Now in its eighth year, they hope to encourage more people than ever to get involved and spread the word.

For this year's theme, Growing Together, Place2Be were encouraging children (and adults) to consider how they have grown, and how they can help others to grow. Growing Together is about growing emotionally and finding ways to help each other grow. Challenges and setbacks can help us to grow and adapt and trying new things can help us to move beyond our comfort zone into a new realm of possibility and potential. However, emotional growth is often a gradual process that happens over time, and sometimes we might feel a bit 'stuck'.

Pupils from Woodlands Academy in Spilsby got involved and various year groups created two new display boards in school assigned specifically for Mental Health. The pupils all wrote little notes about what makes them happy, and they also created their own handprints in this year's mental health colours, for the display.

Year 7 pupils have been working hard this term learning about the second World War. Being a rural Lincolnshire school, it is essential that we educate our pupils about their local heritage and where they come from, as well as ensuring a high-quality education in their core subjects.

Pupils have enjoyed reading 'Goodnight

Mister Tom' by Michelle Magorian in English lessons, and have been learning about significant events during the second World War in History.

We arranged a visit to East Kirkby Aviation Centre and not only did the children learn about why Lincolnshire is referred to as the 'Bomber County', but they also got to get up close and personal with 'Just Jane', the famous Lancaster Bomber who is a resident at East Kirkby Aviation Centre!

The pupils visited the control tower, the blast shelter, briefing room, billet, and of course the café. The pupils were full of wonder, questions and facts that they had learnt in their lessons at school. They carefully observed maps in the briefing room, with many pupils full of amazement that the village they live in was such an integral part of the war effort as a part of Bomber Command.

The pupils not only took away valuable learning around the war and their local history, but also gained skills in communication and interaction, as well as developing vital social skills. Pupils from 7A class were full of laughter and conversation whilst enjoying a hot chocolate and cookie in the NAAFI. They engaged positively with their peers and members of the public, as well as staff at the Centre. Members of 7B class were really engaging with one of the centre's experienced tour guides whilst being shown around. They were thrilled to be able to go inside the Lancaster Bomber! One pupil was recapping the name of the engines, how many engines a Lancaster had and how the planes were used.

Well done Year 7, your first school trip as part of Woodlands Academy and you have made quite the impression.

Pupils have enjoyed quality time in the school's woodland area during outdoor learning sessions.

The pupils enjoy learning new skills such as confidence building and independence, physical fitness, improved Mental Health and Wellbeing, exposure to manageable risk and empathy for others, better sleep and mood, and team building.

Pupils also brewed up hot chocolate, made Smores and even tried their hand at popping fresh popcorn in the outdoors!

The children then sat around the fire pit reflecting on the school learning, identifying the positives and accomplishments they had made.

The Year 11 photography class have been concentrating on a series of shots called 'Ephemeral' for one of their ongoing projects. The word ephemeral was discussed with the group and decided upon as it describes something that lasts for a very short time.

As part of the project it was crucial that the class researched and visited various locations to ensure the shots would be possible and have the most impact on the viewer. Once they decided upon the locations the photography groups across the school embarked upon completing test shots within the school grounds to see if the idea would actually work and we could get the results that had been discussed. Knowing we were able to capture the images during the tests shots we embarked on the final planning for the shots at St Botolph's Church, Skidbrooke, and Anderby Creek along the Lincolnshire coast.

Pupils visited the locations a number of times to take a series of images but unfortunately things did not go to plan due to the poor weather at both Skidbrooke church and the beach. The adverse conditions caused the cloth to continually blow out of the frame at

the beach and the sun was far too bright at the church. The key to getting the images the pupils wanted was perseverance, knowing it wasn't going to be easy taking into account we needed certain conditions to capture the images.

Over a number of weeks, we continually kept an eye on the weather and having a lucky break, headed back to the Skidbrooke. Once we arrived on location we knew the conditions and light flooding through the windows would be perfect for the shot. The pupils set the equipment up, clearly knowing they only had a short time frame to capture their first images as the light was constantly changing but making the shots interesting. Over fifty images were captured to ensure the best chance of securing the exact shot we had in mind, with the fabric dancing in the air but also captured in freeze motion. The idea was the fabric moves about in the air but stands still as a moment in time and therefore engages the viewer and creates a talking point, not only about the techniques used but also the location of the image and the story behind each image.

Having completed a series of images within the church at Skidbrooke the pupils had the confidence to head back to the Lincolnshire coast to photograph the images on the beach, as you can see the results were so rewarding from a very interesting project that has come together over a number of months.

Having completed a series of shots on two locations pupils still have one more location to shoot which will hopefully happen over the coming months. Once this final shoot is complete we will post the images and look forward to your feedback from our 'Ephemeral' project.

## LOCAL PRIORITY

### Quarterly priorities:

- ASB
- Fatal4 (Speeding, seatbelts, drink/drug drive, mobile phone)
- E-Scooter

### Changes...

These priorities will be reviewed again May 2022. So make your thoughts known by emailing the team or message on [nextdoor.co.uk](http://nextdoor.co.uk).

## COMMUNITY UPDATE

### Op Raptor

Under Op Raptor, Lincolnshire police welcome the surrendering of firearms and weapons. This has encouraged four firearms and other bladed articles to be taken out of circulation.

### Burglary and Theft

Burglaries and theft still blight the area. With daylight hours increasing, everyone must not let their guard down. It's important to check security measures are affordable, achievable and appropriate. This also applies to liquid fuels such as heating oils, diesel, and propane gas cylinders.

Tactical Crime Prevention can be contacted through 101 or email: [Crime.prevention@lincs.police.uk](mailto:Crime.prevention@lincs.police.uk)

### Wildlife

Under Op Galileo, Police have a dedicated team who specifically tackle hare coursing events, however throughout Feb 2022 Wolds Police continued to support Galileo, dealing with reports of hare coursing. Officers attended and responded in a robust manner which moved the suspects on, and out of area.

# SPILSBY Neighbourhood Policing Team March 2022 Issue

### TikTok

There seems to have been a recent trend on TikTok, where children will knock/kick a stranger's door then run off. Obviously in some cases this will cause a vulnerable person alarm and distress. This type of ASB on the face of it seems harmless, but it can cause the victim lasting long term fear and anxiety.

### E-Scooter

May I remind everyone, in majority of Lincolnshire, it is illegal to ride an e-scooter on public land, roads, footpaths, carparks or other public open spaces, unless that is, regardless of rider's age, the rider has valid insurance for road use and a UK driving licence with category 'q'. If stopped, the scooter will be seized and crushed with rider reported for the related offences.

For more information refer to this weblink. [https://nextdoor.co.uk/p/hNCQrgPdJQyz?utm\\_source=share&extras=MTc1OTIxOTQ3MDAzNjc%3D](https://nextdoor.co.uk/p/hNCQrgPdJQyz?utm_source=share&extras=MTc1OTIxOTQ3MDAzNjc%3D)

### Vehicles seized / Fatal4 / Safer Roads

On 27/02/22 two vehicles were stopped by a routine patrol in the Horncastle area. Enquiries revealed that neither car had valid insurance. Both cars were seized and the drivers are being prosecuted. Lincolnshire police have a variety of tactics to deal with traffic offences including mobile automatic numberplate recognition which will detect if your car has no insurance.

24/02/22 South Wolds neighbourhood policing team held a day of action to target the four main factors that contribute to road traffic collisions that result in people being killed or seriously injured. These are the Fatal 4.

- 1) Speeding
- 2) 13366
- 3) Use of a mobile phone
- 4) Drink/Drug driving.

Over four hundred vehicles had their speed checked by officers using handheld speed monitoring equipment. Five people were found to be marginally over the speed limit and were educated with words of advice. Three people were issued with traffic offence reports and one driver was dealt with for document offences. The locations targeted on this occasion were in Coningsby, Gipsey Bridge, Sibsey, East Keal, Wragby, Horncastle, Hemingby, Woohall Spa and Thimbleby. We will continue to target these offences and strive to make Lincolnshire the safest place to live, work and visit.

Officers out conducting local enquires had their attention drawn to a vehicle. Checks showed the offender had no insurance to drive the vehicle. Driver fled and hid in a shop. A quick word with the passenger and the driver returned to the vehicle where the driver was issued a traffic offence report.

### Op Signature

This is a special ongoing operation which identifies and helps vulnerable people who may have been or could be a victim of scam / banking fraud. Some reports are passed to police via Action Fraud, who may have taken the initial report.

This will result in a member of the neighbourhood policing team making a face to face visit to the victim. Fuller details of the crime are obtained, with further safeguarding measures put in place. These could include; a telephone call blocker, 'No Cold Calling' signs, scam awareness packs, alert relative/friends.

# Spring 2022

# LIVES.

Spring has officially sprung and 2022 has got off to a flying start for LIVES. With the world opening up again it has been a busy start to the year, especially now the nights are starting to draw out a bit.

As well as the army of Emergency First Responders being on call, our new Critical Care Car, Medic 50 was also ready to respond to the most serious 999 medical emergencies on the East Coast. This service was launched in September and is manned by Doctors, Paramedics and Nurses who can take their extended skill set direct to patients up and down the East coast of Lincolnshire.

Medic 50 is dedicated to our coastal area, as major trauma centres are over an hour away by car. This early intervention from skilled medics working alongside East Midlands Ambulance Service has proved invaluable, lifesaving since its launch.

The LIVES Fundraising Team are busy planning the year ahead and are very excited to be booking lots of shows across the county. From Lincolnshire Show to local town shows, the team, supported by local Responders, are there to share LIVES history, the impact we make and give you more information on what LIVES has planned for the future. We

also provide an opportunity to learn bystander CPR and have a hands-on opportunity at learning this lifesaving skill. You will be able to find a list of events that we will be attending on our website in the next few weeks.

We love sharing the work we do and imparting skills in the community. Do you belong to a club or organisation? We would love to hear from you! As part of our mission to share the stories of our amazing Emergency First Responders. We would welcome an opportunity to come to your meeting!

From Lifesaving Equipment, training and even uniform it is all funded by fundraising in the community. We rely on your help, so we can be there when someone calls 999. From running the London Landmarks Half Marathon to taking part in a wing walk, to hosting your own cake sale, or a dress down day at work, we would love to hear from you.

You can get in touch via our social media platforms or by emailing [fundraising@LIVES.org.uk](mailto:fundraising@LIVES.org.uk) or calling **01507 525 999**.

**We exist to provide emergency care in critical situations.**

**To reach people in need and protect life.**

**It's our reason for being. It's that simple. We treat. We teach.**

**We get there. We step in when no one else can.**

**We support our local community and each other.**

**To sign up, visit [www.LIVES.org.uk](http://www.LIVES.org.uk)  
or follow our Facebook page [@LIVESHeadquarters](https://www.facebook.com/LIVESHeadquarters).**

## SPILSBY LIBRARY IS OPEN

One way Lincolnshire Co-op supports the community is to run vital services, including local libraries. Spilsby Library, located in the food store on Post Office Lane, is one of these. The library, supported by volunteers, has now reopened after lock down closure.

The library is open Monday – Friday at various times between 9am and 5pm, subject to volunteers' availability. Visit <https://www.lincolnshire.coop/community/libraries> for more information. There is also a poster on the library door with opening times.

As well as books and audio books, you'll find a range of information about the local area and what's on in and around Spilsby, together with an extensive range of local history material - some of which you can borrow. Some is only available to view in the library.

There is a section of children's books - on some days the library is open after school.

In addition to browsing, you can reserve, collect, and return books, pay fines, print and photocopy. There's a public computer which can be booked for one hour a day.

There is also a returns box in the food store so you can return books outside opening hours.

### Join the library online

Anyone living, working, or studying in Lincolnshire is welcome to join. Membership is free and also enables access to online resources.

Register from home at: <https://prism.librarymanagementcloud.co.uk/lincolnshire/join> Your membership card will be posted to the address provided on the application form.

Alternatively call into the library and a volunteer will issue you with a card and assist you in joining the Library.

### Thought of volunteering?

If you can spare a few hours a week, fortnight or once a month, then why not volunteer at Spilsby Library. Contact Rachel Ashmore on (01522) 533316 or [rachel.ashmore@lincolnshire.coop](mailto:rachel.ashmore@lincolnshire.coop) for an application form or more information.

Application forms are also available at the library.

# BRO PRO UK

## Brotherhood Project

## Eve

Because your journey needs  
to start somewhere

The Brotherhood Project and Eve are dedicated to promoting and creating a safe place for men and women to meet, socialise and talk whilst receiving support online and remotely in areas of their lives that they are struggling with. We also provide signposting through a range of mental health & wellbeing services.

# ageUK Calling all volunteers!

## Become a volunteer Visitor Host!

Age UK are looking for friendly people to support our local care homes in having covid-safe visits from resident's loved ones. This is a great role that directly supports the community, and makes a huge difference to the residents of care homes and their wellbeing. You will be fully supported, receive all relevant training and have the chance to develop skills and experience in the health and social care sector.

If you'd like to know more contact

Maddy Hamblett at Voluntary Centre Services for an initial chat by calling 01529 404664 or email [maddy@voluntarycentreservices.org.uk](mailto:maddy@voluntarycentreservices.org.uk)

## Friends of Spilsby

### Would you have some spare time to become a Friend of Spilsby?

We are hoping to start a group of like minded people who would help to look after the various areas within Spilsby. These include the TOC H Wildlife Area, The Spinney on Boston Road and helping with the Spilsby Sparkle Days to litter pick and clean street furniture. This is early days and we are looking for like minded people to help to make our town a more pleasant place to live.

Thank you in advance-Bonny Smith and Elaine Lowe. If there is enough interest, we will hold a meeting.

If you are interested, please email:

[friendsofspilsby@gmail.com](mailto:friendsofspilsby@gmail.com)

or telephone Bonny Smith 07917 820504 for more information.

## How is the town's Fire Station and crew performing?

The town's crew have, as ever, been delivering a first rate service to the town and the surrounding communities. The crew have had a slight change in respect to one of the Firefighters who provided split cover with another station has stopped covering at Spilsby, but another Firefighter, who also provided split cover, has moved into the town so is now providing around the clock cover.

### **So how many incidents has the crew attended between November 2021 and February 2022?**

They responded to the following number of call outs

November – 21 calls	December – 6 calls
January – 13 calls	February – 14 calls

As you will see from the figures above, the station had a really busy time in November, within these figures the station attended incidents or provided cover, strategically, around the county 24 times! On these occasions it is important that our Control Room staff have a holistic view of the cover required around the county when there are large incidents in a particular area.

Incidents of note that Spilsby has attended are the large fire at Hemswell Cliff that required attendance of crews over an extended period of time. They also attended a number of incidents during the high winds to make unsafe structures safe.

### **Do you know a SHERMAN?**

**Do you know a Sherman?** If you know anyone in the following groups, please encourage them to refer into Lincolnshire Fire & Rescue for a free Safe & Well check by calling the number below: **Smoker, Hoarder, Elderly, Reduced mobility, Mental health issues, Alcohol or drug dependant or needing care or support.**

## CONTINUING TO SUPPORT THE LOCAL COMMUNITY

### **Spilsby Christian Fellowship (SCF)**

#### **FOOD AND SCHOOL UNIFORM BANKS**

Spilsby Christian Fellowship, originally the Pentecostal Church, began in Spilsby in the 1940's, building its premises on Halton Road in the 1950's. Even in those early days the church had the needs of its local community at heart, its original constitution which still stands today, states the objects as being...

- A) To advance the Christian Faith**
- B) To relieve sickness and financial hardship, to promote and preserve good health by the provision of funds, goods or services, including counselling and support**
- C) To advance education**

These mirror the example of Jesus - supporting and caring for people in biblical times. As a christian community here at SCF we aim to:- Share 'Jesus' Love and his Light" in a very practical way

Today the world can be seen as a dark place, mental health is at an all-time low and people are often isolated, crying out for friendship, encouragement, financial and practical support, and searching for "something else". We aim to bridge this gap, by providing support groups, activities and our Food and School Uniform Banks.

## FOOD BANK

SCF has always offered food support to those in need, over recent years, especially with Covid. This service has grown considerably. Today, unfortunately, many more people are having to rely on food banks. Whilst we are able at SCF we just want to help where we can. Our food supplies come from donations from local families, businesses and schools. Recently, Halton Holgate and Toynton Primary Schools, Spilsby Scouts and Toynton Ladies Group have contributed to our stocks, for which we are grateful. We also work through Neighbourly and Fareshare in partnership with Skegness TESCO, Aldi, Lidl, M & S and Greggs relying on volunteers to collect "surplus" food which would otherwise be wasted and binned as landfill. The items we collect range from "use by" products - passed onto locals with chickens/reptiles, tinned groceries, cleaning products, toiletries, fresh items and miscellaneous ie: four trays of sun tan lotion!! We never know what we might collect and it's quite exciting to unpack a delivery - although sometimes at 10pm at night you don't want to be faced with 4 trays of peppers!!

The amount collected varies - Up to January, 2022 each collection averaged 18 trays allowing us to make up parcels, keep stock and provide a "FREE - Food Trolley". Since March this has dropped to 6 trays depleting our supplies of fresh bread, fruit and vegetables dramatically. We aim to provide the trolley when we can but coupled with increased demand for parcels as energy and petrol bills increase, our main priority is to provide food parcels to those in need.

Food parcels can be requested via facebook, messenger, church email, personal or agency request, or telephone. We provide a confidential service, with a few questions to assess need. We do not operate a referral system, finding many of those in need don't qualify for a referral - eg working families who struggle to meet outgoings, or those facing change of circumstances, unexpected bills or a personal crisis. Generally, food parcels need to be collected from SCF, however this face to face contact is beneficial allowing people to meet with, share concerns, feel listened to and supported and provides opportunities to build friendship and access further help.

## SCHOOL UNIFORM BANK

Our school uniform bank is a simpler concept, allowing anyone and everyone to benefit from good condition pre-loved school uniform, reducing household bills and encouraging everyone to do their bit for the environment in terms of reducing wastage, re using and recycling uniform.

We have a vast stock of generic uniform - skirts, trousers, tops, summer dresses, shoes, coats and a variety of logo items for most local primary and secondary schools. We suggest a £1 donation per item (free if needed), which helps fund the continuing work of the church, washing uniform and purchasing low stock items. Like the food bank this is run by volunteers, and open as and when possible. To use the bank please send us a message and we will try to arrange a time for you to pop down and look, or to collect items.

Currently the food and uniform bank amongst other services provided by SCF are self funded, we do not have any grants and rely on the generosity and donations from local people along with the hard work of our committed volunteers.

Uniform and food can be donated at any time, if we are not available in person items can be left in the grey bins on the church doorstep (monetary donations through the letterbox please) - bins are checked regularly.

If however, you would rather leave with us personally, or make a donation via Bacs, please message us via facebook - spilsbychristianfellowship, email spilsbychristianfellowship@live.co.uk or call 01790 752457

## LINCS FIRE & RESCUE SPILSBY CREW

Left to Right

# BB SMOOTH

— LASER CLINIC —

## How long is a session?

Depending on the area to be treated, sessions can last from 10 to 45 minutes.

## How many treatments will I need?

Every person is unique, however, the average is between 6 to 12 treatments per course.

## How long do I have to wait between treatments?

Treatments will be between 4 to 8 weeks apart, depending on the area being treated.

## Is laser hair removal permanent?

In the majority of cases laser hair removal permanently removes at least 95% of hair. However, every individual is unique and some people may require top up sessions every 1 to 2 years.

## Does it hurt?

Laser hair removal is far less painful than waxing and most people experience little or no pain.

## Is it safe?

Laser hair removal is completely safe. A full consultation and patch test will be carried out prior to all treatments to ensure there are no adverse reactions.

**FREE CONSULTATION**

## St James Church Clock

The PCC are pleased to report that the clock renovation and repairs to the Church clock will be starting in May, 2022. By the end of May we hope to see a vibrant clock face proudly facing the town centre letting townsfolk and visitors know the time.

We still need to raise another £1000 to cover the costs and welcome any further donations towards this. If you can help please send your donation to The Vicarage, Church Street, Spilsby, Lincs PE23 5EF, cheques payable to 'PCC of Spilsby Parish'.

Our next coffee morning celebrates St George's Day on Saturday 23 April from 10am to 12 noon and funds raised will be for the clock appeal. We would love to welcome you there.

Coffee mornings will then be held on the last Saturday of the month until September. The PCC is very grateful to the people and businesses in and around Spilsby for supporting this appeal, without them time would be standing still for quite a while longer.

**If you need any further information please contact Spilsby Vicarage on 01790 752526.**

# SPILSBY RAINBOW GUIDES

**Our Rainbow guide meetings are for girls aged 5-7 years. We meet at the Pavilion on Ancaster Avenue every Tuesday during term time, 5.30pm to 6.30pm.**

We have a varied programme for the Rainbows including crafts, baking and all sorts of fun and games – some of these are tailored to working towards theme badges.

We have places available from September. To find out more information about Rainbows or to put names down on the waiting list please visit [www.girlguiding.org.uk](http://www.girlguiding.org.uk)

**For further information about Spilsby Rainbows please contact Jackie on 01790 752960 or Claire on 07825 339016.**
