HOW IS THE TOWN'S FIRE STATION AND CREW PERFORMING?

These last few months have seen some significant changes to the station in regards to personnel. A new Firefighter has joined the crew, so if we can all say hello to Firefighter Dom when you see him. The Watch Manager has taken the decision to retire after 40 years' service to the community. We wish Watch Manager Ray all the best for the future and we thank him and his family for their service.

Since the beginning of the year, the crew have attended 92 fire calls, with 13 being of over 4 appliances. Also, as the station has come on line for Co-Responding, they have attended 4 Co-Responder calls.

Please check out the government website for product recalls

Type Product recalls and alerts into your search engine to get the link below

Christian Fellowship

As we head towards longer, warmer days, we look forward to an exciting time of development and progression alongside the usual community sessions we run – baby, toddler and childrens groups, adult social meet & greets and our wrap around support services of food and school uniform bank here at the fellowship

If you've walked past recently you may have already noticed some changes. The area to the back of the Church is being cleared up, the telegraph pole (although costly) has finally gone, and there is now an "INpost Locker" installed at the side of the building. This locker will enable us to offer a service, increase footfall and promote activities at the Fellowship with a small fee supporting funds.

With amendments to planning permission granted by the time you read this we will have started work reinstating the portacabin behind the Church as our dedicated family and community rooms. Having improved the Church Hall, this will continue as an accessible, comfy space for services, coffee mornings, fitness/craft/social/training sessions and a hireable venue.

Summer is a special time, with lots of fun activity including the arrival of Caterpillars which the tots love to watch grow, hatch and change into butterflies to be released. Our young people enjoy youth sessions outside, cooking food on the bbq's

and more active games. Messy church discovers "Bible Beach Stories" and plans are underway for a Summer Fayre.

Once the schools break up, we launch into our "Tots on Tour Programme" with sessions including "Giant Sand Pit" and this year thanks to "New Life" "Giant Soft Play", visits to Mablethorpe Paddling Pool, Snipe Dales, and Tattershall Farm Park. We really like to encourage anyone young or old to join us, advance booking will be required for some sessions.

We would like to thank everyone who contributes to the work of the fellowship, through hands on, or financial support, attending fundraising events, giving to our Food Bank, monetary donations and gifts and encouragement. As a small community charity these are really important and fundamental to the ongoing community work.

To find out more contact us directly, via phone 01790 752457, facebook, email spilsbychristianfellowship@live.co.uk or drop in.

SPILSBY LIBRARY

The Library, located in the
Lincolnshire Co-op Food Store, Post Office Lane,
is open 9-5pm Monday to Saturday.

It is a community library, run by volunteers.

During opening hours, you can borrow or return books and use the computers (you need your member number and PIN to log in). During most of the opening hours, there is a volunteer on duty to assist you. When a volunteer is on duty, you can join the library and use the computers if you're not a member. You can also print or photocopy (for a small charge).

WHAT'S HAPPENING AT THE LIBRARY THIS SUMMER?

The ever popular **BOOK SALE** is still on - come along and grab yourself a bargain.
All money raised goes to the Co-op charity.

COMMUNITY CUPPA

Every Thursday morning 10-12
Tea/Coffee/Cakes and Biscuits available
FREE OF CHARGE
You can make a donation if you wish.

SUMMER READING CHALLENGE

For children 4 -11

This year the theme is

Read to the Beat

To complete the Challenge, Children need to read six books during the school summer holidays.

All you need to do is come into the library, when a volunteer is there, fill in the registration form, and then

Get Reading

WOULD YOU LIKE TO VOLUNTEER AT THE LIBRARY?

We are always looking for new volunteers to join our friendly team.

If you have a few hours a week to spare, why not consider volunteering at the library? You need to have basic computer skills, but full training is given in all aspects of the role, and you will be supported by other volunteers.

If you're interested, go along to the library where you can talk to any volunteer about what the role involves. Here you can also pick up an application form, and if you give your contact details to the volunteer, the volunteer co-ordinator will get in touch with you.

TOWN CLERK'S UPDATE

Hello

<https://spilsby.parish.lincolnshire.gov.uk/>

I hope you're looking forward to the Summer ahead and will attend the Super Saturday events in the town centre. As always, there is plenty going on at the Town Council!

PLAY AREA

The Town Council continues to invest in new equipment in the Play Area, with new installations coming later this year such as the Mast and Trampoline pictured here. These choices are based on feedback received from the schools and children using the play area. Hopefully, when they see the new equipment, the children will be able to take pride in shaping their community.

We hope this serves as a wider lesson that their actions help make their community what it is.

The Town Council will again apply for grant funding for the new equipment in phase 3 with the aim of completing the project sooner rather than later.

Sadly, some of the new equipment has been damaged and vandalised with graffiti. The Town Council will look into installing CCTV to help protect the play area from further vandalism. Please remember the play area equipment is designed for 3-12-year-olds.

and will provide an update to the Town Council. If any further issues arise, please do not hesitate to contact ELDC's Planning Enforcement Department or the Town Council.

ALLOTMENTS

Works have been carried out to improve the entrance, to make it easier for tenants to access the site. All plots are occupied and there is a waiting list for prospective tenants. If you would like to be added to the waiting list, please do not hesitate to contact the Town Council.

SUPER SATURDAYS

The Super Saturday events will continue during 2026; we've received some fantastic feedback! More information on the upcoming events is available on the noticeboards in town. New volunteers are always welcome to help contribute to the success of these events.

GRANARY CLOSE HOUSING DEVELOPMENT

The Town Council have received several complaints about the new housing development on Granary Close. Enforcement Officers at ELDC will be investigating the issues

CHRISTMAS LIGHTS

The Town Council are planning a new Christmas lights display which will be installed in stages over the next few years. Some new lights have been purchased but major improvements may not be noticeable immediately with initial costs going on infrastructure and safety testing. We hope that this will lay a strong foundation for new displays in years to come. We welcome your suggestions on the Christmas lights display.

THE LEGION AT THE SPILSBY SHOW

Each year the Spilsby Branch of the RBL parades at the Spilsby show, with Standards attending from other districts to make a proud showing for the people of Spilsby and surrounding district.

This year the Spilsby Show takes place on Sunday 12th July. We look forward to seeing many of you there as we fly the flag for the nation's heroes in need; former service people who have fallen on hard times and need a helping hand from the Legion.

The Spilsby Branch takes part in many such local events, from attending memorial services, mounting honour guards for the recently deceased, parading for such events as Anzac Day, Remembrance Sunday and Armistice Day. Active members are now becoming thin on the ground and attending new events

ever more difficult without willing hands to help plan and manage them to the standards the town has come to expect. We would welcome new members, with or without military service. The cost of membership is a very reason-

able £20 per year. Full details on how to join can be found on the Legion's website:- britishlegion.org.uk or phone 0800 307 7773 (free). You can also contact the branch's chair, Suzanne scott on:-

Spilsby Grammar School Foundation

The History and the Purpose

Over its long history various benefactors had made gifts of property and funds to assist with the financing of the Grammar School. In 1894 the School became a Registered Charity and a Scheme for the future administration of the School was prepared at that time. This Scheme, with various amendments, was operative until the closure of the King Edward VI Grammar School in 1990.

At this time a new Charter had to be agreed with the Charity Commission for the continuation of the Foundation, which had considerable assets.

The assets formed the 'permanent endowment' of the Charity and it was agreed the income from this should in future be used by the Trustees to 'promote education in Spilsby & District'.

The Trustees decided this should take the form of:

- Special grants to the King Edward VI Academy (originally Spilsby High School).
- Special grants to the Feeder Primary Schools at Great Steeping, Halton Holegate, Partney, Spilsby and Toynnton All Saints.
- Provision of grants to former pupils under the age of 25 to assist with the costs of further education.
- A donation to the annual Music Festival, first agreed in 2024.

The Committee

The Committee consists of six Trustees and a Clerk. Three of the trustees are co-opted, the other three are nominated by the Vicar and Churchwardens of Spilsby, King Edward VI Academy and the Town Council. A Chair is elected annually.

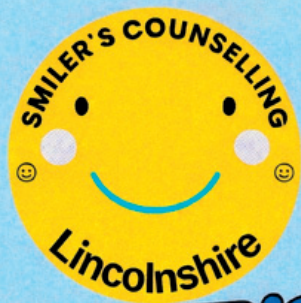

The Committee meets in person twice a year. The September meeting allocates grants to the Academy and Feeder Primary Schools, based on requests received. The February meeting allocates grants to former pupils based on information provided by them. At each meeting, the income available is shared and depends on the scale of the school projects and the number of student applicants.

The Committee also administers the Spilsby School Archives website, www.spilsbyschoolsarchives.org.uk. Physical archives previously in storage have been given to relevant places in Town. The Honours Boards from the Grammar and Franklin Schools are now on display at the rear of the Franklin Hall, Spilsby.

In 2025, the foundation donated £15000 to local schools and earlier this year £24,600 to 40 previous pupils of the Academy and the Feeder Primary Schools.

Further details can be found on the Foundation website,

www.spilsbygfsf.org.uk.

For those who have the time

Spilsby u3a hold their main meeting in the Franklin Hall 2-4pm on the second Wednesday of each month except August.

After information about our variety of group meetings, we have a refreshment break and then an interesting talk from a variety of speakers.

Once you have become a member you can join as many groups as you like as long as they have space. All this for £15 for the year.

Our speakers for the next few months are:

July 8th	Roseanne McGlone	Feisty Females (Writing Lincolnshire women)
September 9th	Linda England	Nutrition and Hypnotherapy
October 14th	David Coleman	Tales of a Pitman
November 11th	Paul Valleley	Bomber Command at RAF Spilsby

Why not come along and see if it is for you.

Lincolnshire Wildlife Trust

The Spilsby Area Group of Lincolnshire Wildlife Trust puts on free monthly illustrated talks from September to April, on the first Thursday of the month at 7.30pm at the Franklin Hall in Spilsby. Anyone with an interest in the natural world is welcome to come along.

Our next speaker is the renowned wildlife photographer, Anna-Louise Pickering, who is coming here on Thursday 3rd September. Anna-Louise is the daughter of well-known wildlife artist, Pollyanna Pickering, and her talk is entitled "Travels with a Wildlife Artist". She will give us an insight into the excitement and difficulty of travelling across the globe to draw and photograph wildlife, which is often critically endangered. We look forward to hearing Anna-Louise's talk and seeing her magnificent photographs. There's no charge, although refreshments are available and donations are always welcome.

We raise a lot of money to support the work of Lincolnshire Wildlife Trust across the county, and this year we were able to donate £2,900 to help our local Nature Reserve, Snipe Dales, at Lusby. Do come and join us!

Spilsby and Hundleby Walkers are Welcome exists to encourage walking in the local area, both by residents and visitors. In particular, we organise popular monthly walks, which vary in length from 2 to 8 miles. We try to ensure that the local Public Rights of Way (Public Footpaths) are kept in good repair and accessible, by reporting problems to the Footpaths Officer and carrying out Litter Picks where necessary.

Our next walk is on Wednesday 12th August, starting opposite JJ's cafe at Hagworthingham at 9.30am. It's a cross-country 4 mile walk via Bag Enderby, so come suitably dressed!

Details of all our walks can be found on our website :

ROTARY CLUB C

A momentous event for the Rotary Club of Spilsby: the installation of the first female President at the end of June. The recipient of that honour is well known in the Town, Tracey Robson who is a Town Councillor, a trustee of the Sessions House Theatre and a member of Spilsby Events Committee among other roles.

Rotary has long been open to women, despite its past erroneous image as a male preserve, but it took nearly 40 years for the Spilsby Club to enrol its first female member, soon followed by the second, Tracey. The hope is that more women will be encouraged to join. Meanwhile Tracey has already proved to be an effective recruitment officer, having already brought along her husband and a neighbour as new members.

If Tracey is comparatively new to Rotary, her Vice-President is an old hand. Pete Butler has been President twice already and will take the reins again in 12 months' time.

Two other long-standing Rotarians and themselves former Presidents, Neil Blanchard and Richard Richmond, have been busy helping the incoming President to put together an exciting programme of talks and visits for the coming Rotary year that runs from July to June. This time there has been the additional worry of the change of ownership of the Nelson Butt where the weekly meetings have taken place but Spilsby Rotarians are determined to continue to meet in the Town and to maintain their connection with the local community whatever happens at the Nelson.

Another unexpected problem was the enforced postponement, because of a bereavement, of this year's Charter Night from its traditional slot in March to the

third Thursday in May. Spilsby Rotary members were determined that the event should go ahead, however, and the switch of the biggest night in the Rotary year went smoothly with most attendees, including the speaker, able to rearrange their diaries.

It did, however, make for a very busy week as two days earlier Bike Night stuck to its traditional slot on the third Tuesday in May. This is an event that is highly dependent on the weather on just one day, but Rotary recognises that it brings business and buzz into the Town so we are persisting in organising it.

This year was special in that Spilsby Rotary organised a Commemorative Certificate for the Town's Mr Motorbike, John Wildman, who took over the local motorcycle sales, spares and repairs outlet in Halton Road from his father and continued it with distinction. He was a well-known figure in Motorcycle circles as a scrutineer at Cadwell Park for many years. The business continues as one of the oldest continuing enterprises in Spilsby.

OF SPILSBY

Rotarians help to maintain two pieces of greenery seen by visitors entering Spilsby, one near the junction with the A16 and the other at the top of Ashby Road. Improvements have been made with the help of a matching grant from Rotary Foundation, the organisation's international charity, and a Rotary Peace Pole has been erected to spread the message of Rotary's role in spreading fellowship and harmony around the world.

The Rotary Club of Spilsby welcomes any local people who share this ethos. Look at the website www.spilsbyrotary.org.

Infinity Academies Trust

Spilsby Academy

At Spilsby Primary Academy, the last term has been filled with memorable experiences, exciting opportunities and wonderful achievements for our pupils. It has been a busy and successful few months, with children embracing every opportunity to learn, grow and celebrate together.

Throughout the term, the school has been buzzing with energy as pupils took part in a wide range of activities both inside and outside the classroom. One of the standout moments was British Science Week, where children across the school explored experiments, investigations and scientific discovery. The excitement and curiosity shown by pupils was fantastic to see, with children fully engaged in learning about the world around them through hands-on experiences and creative problem solving.

Reception children have enjoyed some truly unforgettable experiences this term. Alongside observing the fascinating life cycle of caterpillars as they transformed into butterflies, the children were also delighted to receive a special visit from a group of puppies. The visit gave pupils the opportunity to learn about caring for animals, understanding their needs and the importance of showing kindness and responsibility towards pets. The children loved meeting the puppies and spoke enthusiastically about the experience long afterwards.

Music has also played an important role this term. Our Year 4 pupils made excellent progress during their whole-class brass tuition lessons, growing in confidence week by week as they developed new musical skills and performed together with enthusiasm and pride.

Sporting opportunities continued to provide pupils with valuable experiences and successes. Children represented the academy brilliantly during multisport competitions, demonstrating determination, teamwork and excellent sportsmanship throughout. We were incredibly proud of the way our pupils supported one another and conducted themselves at every event.

Reading and creativity were another major focus across the term. World Book Day celebrations brought enormous excitement to the school, with children dressing as favourite book characters and taking part in creative competitions including potato book characters and shoebox story scenes. Families also joined us for our popular "Come and Read" sessions, helping to promote a love of reading throughout the school community. We were also delighted to welcome a theatre performance into school, kindly funded by the PTFA, which helped inspire children through storytelling and live performance.

The summer term has also included exciting themed days and enrichment opportunities.

TT Rockstars Day filled the school with music, maths and creativity, while David Attenborough Day encouraged children to learn more about science, wildlife and environmental responsibility. Pupils also enjoyed the Book Fair, class photographs, wellbeing activities and workshops focused on positive relationships, emotional wellbeing and personal development.

We are especially proud of our Year 6 pupils, who approached their SATs assessments with incredible resilience, determination and maturity. Throughout the week, they showed fantastic perseverance and supported one another with positivity and good humour. They should be extremely proud of the hard work and commitment they demonstrated, not only during the tests themselves but throughout the entire year in preparation for this important milestone in their primary education.

Alongside all of these experiences, the Academy has continued its strong focus on kindness, community and social responsibility. Through fundraising events, PTFA activities and our work towards the SuperKind Social Impact Schools Award, children have been encouraged to think about how they can make a positive difference to others and the wider world.

We are incredibly proud of everything our pupils have achieved this term. Their enthusiasm, resilience and kindness continue to make Spilsby Primary Academy a vibrant and inspiring place to learn. We would also like to thank our dedicated staff, supportive families and wider community, whose encouragement and partnership help make these opportunities possible for our children every day.

The Summer months in the Church are often filled with Weddings, Coffee Mornings and Fetes, which are wonderful opportunities to welcome people into our Churches.

Most of our Churches celebrate their Patron Saint, which for Spilsby is St James. His Saint's Day is 25 July, when we will be holding a St James themed Coffee Morning, with activities for the children. Please put the date in your diary, Saturday 25 July 2026, 10 am - 12 noon and come and join us in our celebrations.

Who was Saint James? He was an apostle of Jesus's together with his brother John (both sons of Zebedee). He had been born in Bethsaida in Galilee and had gone into the family trade of fishermen. He was one of the 3 closest disciples to Jesus, meaning that he witnessed the raising of Jarius's daughter by Jesus, witnessed the transfiguration and Jesus's agony in the garden of Gethsemane. He was the first apostle to be martyred, on 25 July AD 44 and his headless body was taken to the place later called Santiago de Compostella, which is now a place of pilgrimage for many people across the world.

There are weekly services in St James' Church, Spilsby at 9.30 am every Sunday morning and then at 10.15 am each Thursday and all are welcome to join us.

Green Burials and Ashes Woodland

A Natural Journey

**Resting Woods,
Church Lane, Wainfleet St Mary,
PE24 4JT**

Hello, Resting Woods' provides a resting place creating lasting peace in nature. Our beautiful wooden building and memorial benches offer a calm place to listen to the bird song and feel the breeze.

The flower meadow supports native grasses, wild flowers and flower bulbs. Each grave is planted with a native tree. Families have the opportunity to choose a tree and plant native flower bulbs for a greater connection with nature and the circle of life.

The services we host are calm and peaceful. Families are able to gather, take time, remember and visit many times again.

Green Burial and Ashes Placement gives focus to nature and is a flexible choice for service options. Large and small, led services and family focused, all is suitable.

For those wish to have an initial look, do feel welcome to visit. Take a moment to enjoy the nature and feel the surrounding, it's a choice to make with care. There are informational leaflets available on the notice board. It is a lovely spot to visit on a sunny day.

For those wishing to have a discussion about their own resting place wishes, please phone to arrange an appointment. We recommend a meeting at the site, we provided home visits where needed.

For those looking to arrange a burial or ashes placement please do phone for a simple chat. We will recommend a combined visit and meeting to be confident we are the right place for your loved one.

Resting Woods Ltd

It's the start of something special.

It's that **Newton Fallowell** feeling.

We're an estate agency that puts people at the heart of property. Landlords, buyers, renters, vendors... they'll all say similar things. That we know the Midlands like no-one else. That we care more about service. And that while others go through the motions, we'll go the extra mile for every single customer.
