**Para 103-** CCTV-Permission now given to site on Age UK. Cost likely to rise due to second evaluation being undertaken by the CCTV company.

### **Tree Preservation Order**

The land at the Old Vicarage, 1 Church Street Spilsby, the tree is of significant amenity value and a TPO has been placed on it.

### **Complaints**

1. Overgrown public footpath from Post Office Lane Car Park to Halton Road. The matter was report under Fix my Street and has been passed to the relevant authority.
2. Overgrown public footpath to the rear of Spilsby Primary School. To be reported asap.

### **Office Matters**

Parish on-log in now received. We will be able to start populating information now.

Spilsby Explorer-Ros has been working hard on the Spilsby Explorer however this is very time consuming for one person. There should be six people on the team. She did a leaflet drop to every business in the High Street regarding advertising. There has been little take up. She will be sending it to the printers at the end of the week.

Festivities- the team are making good progress towards the Christmas Market. The wheelie bins have arrived to store the Christmas Lights and I have arranged for them to be delivered.
